

Test Administrator Manual: Script Update

Date: April 17, 2023	Document(s): Test Administrator Manual (TAM)
-----------------------------	---

This document adds to the administration script provided in the TAM. Below you will find the screens that students see at the end of each item set (for science and ELA) and testing session (all content areas). The TAM shows the review screen that displays at the end of fixed form assessments. This document shows the screens that students will see during a CAT administration. There are no edits needed to the script that is provided in the TAM.

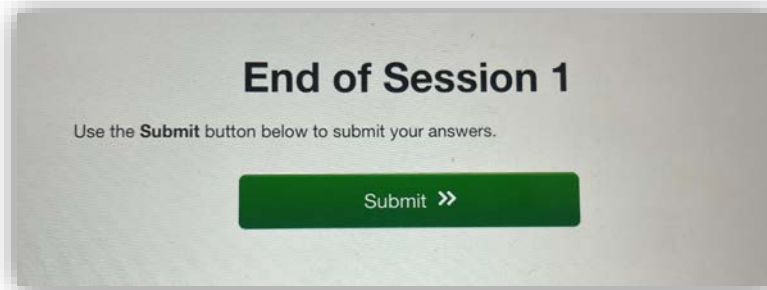

End of Item set: CAT Administration - ELA and Science

This screen appears at the end of each item set.

End of Session 1: CAT Administration – All content areas

This screen appears at the end of session 1 of the CAT administration. This supplements p. 35 of the TAM.

End of Session 2/End of Test: CAT Administration – All content areas

This screen appears at the end of session 2 of the CAT administration. This supplements p. 40 of the TAM.
