

# TestNav Student Interface

## Logging In

1. Open the TestNav app on your device. On the "Where do you want to go?" page, select Vermont.

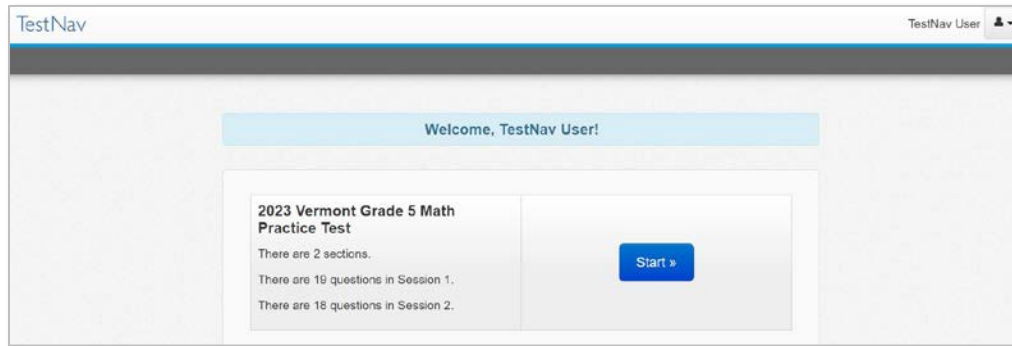

2. Log in to the assessment.
  - a. On the login screen, enter the Test Code provided by your proctor, then click Next.
  - b. On the next screen, enter your last name and state student ID, then click Next.
  - c. The confirmation screen will display the test name and your name. Ensure that both are accurate, then click Next.

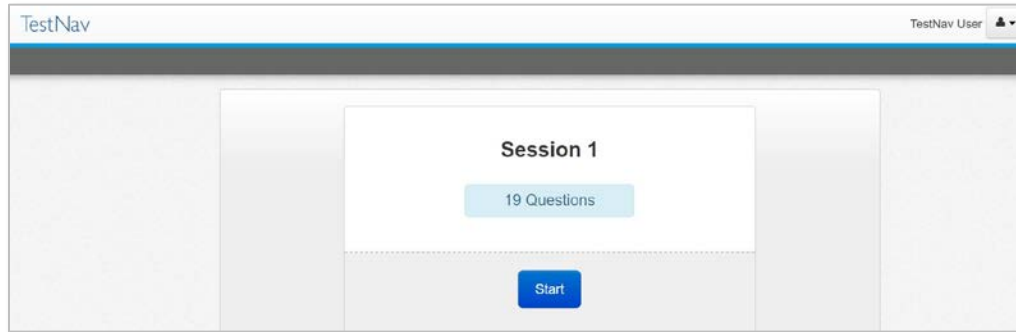

**3. Begin the assessment.**

- a. The welcome screen will display the test name and session information. Your information will be in the upper right-hand corner. If all of this information is accurate, click Start.

- b. On the **session** page, click Start again.

## Tools and Site Navigation

Within the test, the following functions and tools will be available.

The screenshot displays the TestNav interface with several key features highlighted by letters A through F:

- A:** Navigation arrows (back and forward) in the top left.
- B:** The Review drop-down menu, which shows a list of questions (19, 19, 0) and a list of question numbers (11-19) with a progress indicator (yellow circle for unanswered).
- C:** The Bookmark button in the top navigation bar.
- D:** The Tools menu, which includes options like mouse pointer, notepad, answer eliminator, and calculator.
- E:** The Additional supports menu, which includes options like 'Change the background and foreground color', 'Enable Magnifier', 'Show Line Reader Mask', 'Enable Answer Masking', and 'Sign out of TestNav'.
- F:** The Text to Speech (TTS) controls, including play, toggle click-to-hear, jump back, skip ahead, and settings buttons.

- A. Arrows:** use the forward and back arrows to navigate to the next or previous item.
- B. Review:** the Review drop-down will display all items in the current session. Items with a yellow circle have not yet been answered. Use this drop-down to navigate to a specific item within that session.
- C. Bookmark:** click the Bookmark button to tag an item to return to before submitting the session. Bookmarked items will be noted in the Review drop-down.
- D. Tools:** available tools will be displayed above the item. In this example, the mouse pointer, notepad, answer eliminator, and calculator are available.
- E. Additional supports:** Click the person icon in the upper right-hand corner to display a list of available supports.
- F. Text to Speech:** If Text to Speech (TTS) is enabled for the assessment, the TTS controls will display on the right-hand side of the screen.
  - a. TTS controls include play, toggle click-to-hear, jump back, skip ahead, and settings.
  - b. Within settings, you can adjust the speed and volume.
