

Dear Parent/Guardian,

The Vermont Agency of Education (AOE) is providing this information regarding your student's VTCAP 2026 English Language Arts (ELA) assessment score.

During the statewide administration of the ELA assessment, a limited number of student tests were reset and restarted due to an assessment administration issue. Your student's assessment was included in this group. The score reported for your student is based on their second assessment attempt and accurately reflects the performance demonstrated on that completed assessment.

This reset was reviewed and approved through an established process between the District Administrator (DA) and the Vermont Agency of Education, ensuring that your student had the opportunity to complete the assessment as intended and receive a valid score.

If you have any questions regarding this matter, please contact the Vermont Agency of Education:

Sincerely,

Vermont Agency of Education
